James Adams, Andrea Haupt and Heather Stoll, 2009, “What Moves Parties? The Role of Public Opinion and Global Economic Conditions in Western Europe,”
Comparative Political Studies 42 (5).

Table 1, p. 623, reports the estimated coefficient on the “Change in FDI \times Left” term for Model 4 (Pooled Levels) to be 0.14. However, it is an error that this coefficient is positively signed. The correct estimated coefficient is -0.14.
